1. Dr.Eknath D.Patil

➤ **Conclusion:**

The presentation begins in three different sessions. The diverse array of abstract submissions and the involvement of specialized session chairs from different streams underscored the interdisciplinary nature of the conference. This collaborative effort promises enriching discussions and insights into sustainable development across society, economy, and science.

The conference provided a platform for researchers and academicians to showcase their studies and findings related to sustainable development. Presentations covered a wide array of topics, ranging from Eco-Friendly technologies Rural Electrification to Green Human Resource Management and Green Chemistry.

Valedictory Session:

The National Conference on "Sustainable Development in Society, Economy, and Science" concluded on a high note, featuring a Principal Address by Dr. N. Shani, who encapsulated the essence of the conference and stressed the significance of collaborative efforts in tackling sustainability challenges. Dr. Shani commended the participants and the Research Cell for their contributions to the conference's success.

Following Dr. Shani's address, the Research Cell Coordinator Mrs. Namrata Jha presented a report highlighting the conference's achievements. The Research Cell at St. John College of Humanities and Sciences extends its heartfelt gratitude to all speakers, panelists, and participants for their valuable contributions.
