

The aims of the Perspective Plan are two-fold –

1. To enhance and consolidate our achievements over the years
2. To set up new goals to optimise the institution’s financial, physical and human resources. Through the Perspective Plan for the academic years 2025 to 2027 – 2028, we are committed to empowering our students with the required academic, life and digital skills, entrepreneurial acumen and ethical practices and values they need for success in a fast-changing and challenging world.

Our blueprint takes into consideration the feedback we receive from all stakeholders, the NAAC recommendations and the UGC New Education Policy guidelines. In accordance with the NAAC Criteria divisions, the Perspective Plan is distributed across the following seven core areas:

1. Curriculum Planning
2. Teaching/Learning/Evaluation
3. Research Innovation and Extension
4. Infrastructure and Learning Resources
5. Student Support and Progression
6. Governance, Leadership and Management
7. Institutional Values and Best Practices.
